Your BOTOX Cosmetic® Consultation Guide

You may already have questions about BOTOX Cosmetic®, and connecting with a healthcare professional is the best way to get those questions answered accurately. A BOTOX Cosmetic® consultation is your opportunity to ask those questions, understand what to expect from treatment, and start developing a relationship with your healthcare professional.

To help you make the most of your consultation, here are some questions to ask your healthcare professional:

How does BOTOX Cosmetic® work? Where does BOTOX Cosmetic® work?

How could I benefit from treatment with BOTOX Cosmetic®?

Is now the right time for me to start treatment with BOTOX Cosmetic®?

Can you tell me about your training and experience with BOTOX Cosmetic®?

How do you come up with a BOTOX Cosmetic® treatment plan that's right for me?

How long do the effects of treatment with BOTOX Cosmetic® last?

How often do you recommend treatment with BOTOX Cosmetic®?

What is follow-up like after treatment with BOTOX Cosmetic®?

Are there any health concerns I need to be aware of with BOTOX Cosmetic®?
